

EVERYONE LOVES A PARADE

ikes from across the country brought local delicacies for everyone to enjoy. It was a pool-side party of flavorful treats! Thank you to all our party hosts.

DINNER AT THE SUNSHINE CHAPTER

Convention attendees enjoyed family fun at the Sunshine Chapter's house. Our hosts were gracious and the facilities were impressive (as were the bacon-wrapped buffalo burgers!). A few "clowns" from Kampeska showed up to entertain the crowd. Our thanks to all our hosts for a wonderful evening.

EARLY BIRD AUCTION

YOUTH CONVENTION

This year's National Youth Convention offered an array of conservation and outdoor recreation activities, from a boat ride on the Missouri River to building and installing mallard nesting boxes. Here are a few of our favorite photos.

Oahe Dam tour.

Youth installed silt fencing along the Bad River to reduce the amount of sediment washing into the river.

Youth had fun dressing up as Lewis and Clark at the Oahe Dam Education Center.

Youth built nesting boxes at the Sunshine Chapter and installed them at Iverson Ranch. They chose to decorate their boxes with the League name and their home states.
