IZAAK WALTON LEAGUE OF AMERICA

Henry Repeating Arms is proud to be affiliated with the Izaak Walton League of America. These special edition rifles can be purchased by individual IWLA local Chapters (and state Divisions) and their members at discounted prices to support their charitable and educational efforts and to enhance their fund raising activities. Please complete the following order form and return it to Henry Repeating Arms along with your post-dated check and a copy of a local gun dealer's Federal Firearms License (FFL).

Please note that to ensure compliance with federal law, all transactions must be conducted through a local gun dealer with an FFL. (All transactions must also comply with applicable state and local law, and your local dealer can also assist you with that.) Henry Repeating Arms will need the chapter's state location and IWLA division-chapter identification number to check the status of the dealer's FFL and best monitor your order.

If you plan to raffle a rifle, please make arrangements with the dealer for the winner of the raffle to pick up the rifle from the dealer. (Chapters should also remember to check and comply with applicable gaming laws in their state and their local jurisdiction when conducting a raffle or similar event.)

NOTE: For subsequent transactions after the first transaction, if you think that Henry Repeating Arms already has a current dealer's FFL on file for the local gun dealer serving your chapter, please call Henry Repeating Arms at (201) 858-4400, Monday – Friday 9 am to 4 pm EST, to verify the status of this FFL.

| Quantity | Item No. | Description | Cost | Total |
