Mr. Roger Sears
Chairman, Executive Board
Izaak Walton League of America
707 Conservation Lane
Gaithersburg, Maryland 20878

Dear Chairman Sears:

It is an honor to extend my congratulations on the 90th anniversary of the Izaak Walton League of America.

The Izaak Walton League of America has an extraordinary record on conservation: supporting the Duck Stamp Act of 1934, working to create the Land and Water Conservation Fund, promoting the use of renewable energy resources, and protecting the integrity of our waters. It is important to celebrate these past accomplishments as we work together to continue these conservation priorities for the future.

Congratulations to all "Ikes" on 90 years of advocacy on behalf of our lands, waters, wildlife, and outdoor enthusiasts.

Sincerely,

Ken Salazar
