

# A HUNTER'S PLEDGE

Responsible hunting provides unique challenges and rewards. However, the future of the sport depends on each hunter's behavior and ethics. Therefore, as a hunter, I pledge to

**Respect the environment and wildlife.**

**Respect property and landowners.**

**Show consideration for nonhunters.**

**Hunt safely.**

**Know and obey the law.**

**Support wildlife and habitat conservation.**

**Pass on an ethical hunting tradition.**

**Strive to improve my outdoor skills and understanding of wildlife.**

**Hunt only with ethical hunters.**

By following these principles of conduct each time I go afield, I will give my best to the sport, the public, the environment and myself. The responsibility to hunt ethically is mine: the future of hunting depends on me.
