Litter is everybody’s nemesis! The White Oak River Chapter in Swansboro, North Carolina, found that installing this friendly sign on roadways, trails, and streams helps curb litter. It’s also a great way to let the community know that your chapter is engaged in local conservation work.

Anti-Litter Roadside Sign Order Form
Izaak Walton League of America

for a package of ten. Shipping and handling is $18.75 (USPS large flat rate) These “Don’t Litter” signs are 12”x18” with six pre-drilled mounting holes and rounded corners, and made of heavy-duty .040-gauge aluminum. They are durable, visible from a distance, and stand up to just about anything. These signs are available to your IWLA chapter for $250

For more information, contact G. Kimball Corbin at (252) 393-8879 or gkcorbin@ec.rr.com
