

2021 NATIONAL BEST DIVISION NEWSLETTER AWARD

NOMINATION FORM — DEADLINE: JUNE 1, 2022

Award Criteria: This award is presented to the division judged to have the best newsletter in terms of appearance, originality, timeliness and news coverage. The best newsletters focus not only on news from division chapters but also provide information on a larger scale about national and state news (such as minutes from national and state meetings, changes in League policies, important resolutions and other conservation-minded news).

NOTE: Division approval is required. Winners are eligible every three years.

Please type or print all information clearly.

-  Do various chapter or division members submit information for different columns (i.e., a president's message, or a state or national convention summary, or a recap of a speaker's presentation, etc.)?
-  Are there other details about the newsletter that will help the committee in their decision?

NOTE: If selected to receive this award, you need to be prepared to supply graphic images of the newsletter cover for potential future use in "Outdoor America" magazine and on the League's website.
