

2023 IZAAK WALTON LEAGUE OF AMERICA AWARD NOMINEES SOUGHT (AWARDED IN YEAR 2024)

This packet contains all the details and forms you and your chapter or division need for this year's IWLA Awards (offered during 2024). The awards program is updated annually to make the nomination process more user-friendly and encourage more nominations of deserving League chapters, divisions, and individual members. Changes and points to note include the following:

- 🌲 The **2023 Defenders Chapter Achievement Award** and the **2023 Judge John W. Tobin Chapter Volunteer Appreciation Award** forms (the first two forms found in this packet) are included. However, the **March 15, 2024** deadline for submitting these two award forms is earlier than for the National Awards.
- 🌲 The **deadline** for submitting other **National Award** nominations remains at **June 1, 2024**. This is to enable the Awards Committee to meet and still allow adequate time for award preparations. This means some IWLA divisions may be holding state meetings after the award nomination deadline — please note that **“division approval”** does not mean the approval must be an outcome of a division meeting. A division may have their president or a separate awards chairman or some other method of their choosing (i.e., authorization by a national director) to allow the approval to be granted (and then perhaps later reported on as an “action taken” at the division meeting).
- 🌲 A notable change: We expanded available recognition for the **Save Our Streams, Shooting Sports, and Outdoor Ethics Awards**, with up to six (6) of each of these awards may be given each year.
- 🌲 As a reminder, should the nominee – member, non-member, organization or chapter – be selected to receive an award, the nominator will need to be prepared to supply photo(s) of the award recipient for potential future use during the awards presentation, in *Outdoor America* magazine, and on the League's website.
- 🌲 Completed applications may also be faxed to: **(301) 548-0146**. This fax number is now included on each form. Also, the e-mail address, awards@iwla.org, is available for direct communications and is noted on each nomination form, so if you would like to scan and e-mail your forms and supporting documents, you may do so.
- 🌲 Each award has a **nomination form specific to the award** in this packet. The award criteria are outlined in more depth on each form to help identify potential nominees. Additionally, questions pertaining to the nominee and how they meet the specific award criteria are listed as a guideline to aid in filling out the nomination form.
- 🌲 Both **IWLA national directors** and **division officers** are encouraged to actively be on the watch for worthy recipients and submit nominations.
- 🌲 Should you have any questions regarding the awards process, please contact the IWLA Chapter Relations staff by calling toll-free **(800) IKE-LINE (453-5463)**, extension **216**, or emailing awards@iwla.org. Editable PDF versions of each form are found and may be downloaded from the League's chapter resources web page at www.iwla.org/awards.
- 🌲 **Note:** Only those nominators and the individuals or chapters who are selected for an award by the Awards Committee will be contacted by IWLA staff prior to the upcoming National Convention.

THE DEFENDERS CHAPTER ACHIEVEMENT AWARD

The Izaak Walton League's Defenders Chapter Achievement Award is named after the League's motto: "Defenders of Soil, Air, Woods, Waters and Wildlife." Based on your activities in the last calendar year, your chapter might be eligible to receive this national recognition for your many ongoing efforts and accomplishments.

To be eligible for this annual award designation, your chapter must have met criteria in five of the following categories during 2023: membership, financial contributions, education, conservation, youth involvement and communication.

Initial recognition of your chapter's 2023 accomplishments will be made at the 2024 IWLA National Convention, and will be published in a future issue of *Outdoor America*.

Applications for both awards were mailed in January to each chapter president, secretary and awards chair. For additional information or an application form, please contact the IWLA Chapter Relations Department toll-free at (800) IKE-LINE, extension 216, or email awards@iwla.org. Forms are also available online at www.iwla.org/awards. Applications must be postmarked no later than March 15, 2024.

THE TOBIN AWARD FOR OUTSTANDING VOLUNTEERS

Who are the dedicated Ikes among your division or chapter members? You know—the ones who show up for all the meetings, sign up first for work crews, help maintain the grounds and make the organization run more smoothly? They are your chapter's most generous members and they deserve a hearty thanks.

The Judge John W. Tobin Volunteer Appreciation Award, established in 1976 by past IWLA President John Tobin, is the perfect way to recognize that special member. Every chapter is encouraged to present a Tobin Award to one of its members each year. The award not only recognizes a member's conservation commitment, but also demonstrates the connection between chapters and national as it is presented by a national director during a chapter meeting.

Make sure your chapter selects its Tobin Award winner by March 15!

This year, they are to be presented during the 2024 IWLA National Convention in Cambridge, Maryland to those most deserving recognition.

New for 2023 – We expanded available recognition for the Save Our Streams, Shooting Sports, and Outdoor Ethics Awards, with up to **six (6)** of each of these awards may be given each year.

In addition, you will find on the first few pages of this mailer the application forms for **both** the annual **Defenders Chapter Achievement Award** **and** **Judge John W. Tobin Chapter Volunteer Appreciation Award** (both with a **March 15, 2024** deadline). Neither of these two annual awards requires division approval.

This program offers you the opportunity to recognize people and organizations (within and outside of the IWLA) for their conservation work at the local, state and national level last year in 2023. You may also choose to honor some members and organizations for their lifelong accomplishments and longtime devotion to natural resources conservation.

Don't let this opportunity pass by! Submit nominations for as many of these awards for which you can find worthy candidates. This packet includes explanations of the criteria for nominations and information about all our awards.

Remember when preparing your nomination that some of the **National Awards** require approval from your state division. The deadline for all these awards (except the Tobin and Chapter Defenders Awards) is **June 1, 2024**.

We ask that you do your part to help honor deserving members and other individuals and chapters, divisions and outside organizations for their dedication to conservation. Please forward your nominations for processing to the IWLA national office before the deadlines.

Thank you and your chapter for all you do to promote conservation and outdoor recreation!
