

2023 NATIONAL THELMA “PETE” REED MEMORIAL AWARD

NOMINATION FORM — DEADLINE: JUNE 1, 2024

Award Criteria: This award is presented to an individual member who has volunteered many hours at the local or state level in conservation projects, educational efforts, community service, or chapter leadership development. The member may *not* currently be a national leader of the League (national officer, executive board, national director, or national committee chair) but, by virtue of his/her grassroots efforts, is considered an “up and coming” future leader of the Izaak Walton League. Questions about the nominee are listed below as a guide to the specific information the awards committee is looking for. **One** (1) of these awards may be presented each year.

NOTE: Division approval for this award is **NOT** a requirement.

Please type or print all information clearly. Please be certain the nominee’s full name is spelled correctly—the name and spelling given will be used on awards and plaques.

Attach a summary of the nominee’s qualifications to this form. Please consider each of the following questions when completing the nomination and answer each as thoroughly as possible. Include supporting material with the nomination (such as news clippings or letters of recommendation), as well as a one- or two-sentence quote about your nominee for a press release should he/she/they be selected.

-  How long has the nominee been an active member of the League?
-  Has he/she held office at the local level? Which positions?
-  Which conservation-related committees (either for the League or in the community) does he/she serve on?
-  Describe some specific conservation-related activities or programs he/she has regularly been involved with during the past year.
-  What other local, state, or national recognition has he/she received for his/her conservation efforts?
