

CLEAN WATER/SAVE OUR STREAMS LIAISON DESIGNATION FORM

The Izaak Walton League's Save Our Stream (SOS) program helps citizens across the country monitor water quality in local creeks and streams. The League is developing resources to help chapters start or expand local stream monitoring and communicate about their findings with the local community. We are asking each chapter to designate a Clean Water/SOS Liaison who can let chapter members know about tools received from the national organization and share information about chapter accomplishments.

Please provide contact information for your designated Clean Water/SOS Liaison below. Thank you!

Chapter Name and State: _____

Chapter President: _____

Clean Water/SOS Liaison Contact Information

Name: _____

Phone: _____

Mailing Address: _____

E-mail Address: _____

Please check any of the following that apply:

- Chapter is interested in hosting an SOS training
- Chapter members are interested in attending an SOS training at another location
- Chapter is interested in training on water-based youth education programs

Please e-mail or mail your completed form to:

Samantha Briggs, Save Our Streams Coordinator
