

# EXPLORE BOWHUNTING

## INSTRUCTOR WORKSHOP

Izaak Walton League of America – Archery Trade Association

Take your chapter's archery program to the next level. Sign up for our Explore Bowhunting Instructor Workshop. The League is partnering with the Archery Trade Association (ATA) on a League-exclusive workshop at a discounted price.

Interest in archery and bowhunting continues to grow annually, as bowhunters are the most avid archery participants. Would your chapter like to enhance its archery program by adding specialized bowhunter training? Take a shot at bringing bowhunting classes to your chapter to engage new audiences and at the same time help to recruit new chapter members.

The workshop to become trained as a bowhunting instructor is open to any League member who is a state hunter education instructor, certified archery instructor, or avid archer/bowhunter who is willing to share his or her outdoor experiences.
