Make a Donation to Ensure 100% Participation from Board Members

Financial support from Board members makes a big difference not only to the League, but to outside entities like *GuideStar* and *Charity Navigator*. They grade the League, in part, based on the percentage of Board members who contribute financially. Additionally, many citizens, foundations, and other potential funders look at these grades when deciding whether or not to support the League.

It's not the amount of the donation that counts. It's the level of participation from Board members – from leaders like you – that counts. Help the League achieve 100% participation from Board members by including a donation of \$10, \$20 or any amount with your registration. Your donation demonstrates your commitment and sends a powerful message to others about why they should donate as well. Please include your donation with your total registration payment.

Registration Form

DEADLINE to return to National Office: February 1, 2023

707 Conservation Lane, Gaithersburg, MD 20878
Fax: 301-548-0146 Email: maryr@iwla.org
