

IZAAK WALTON LEAGUE OF AMERICA

TO: Scott Kovarovics, Kelly Kistner, Executive Board, National Directors, Directors-At-Large, Division Presidents, Past National Presidents

FROM: Mary Rubin, Director of Member Programs

RE: June 2021 IWLA Membership Summary

CC: Senior Management Team, Membership Staff

DATE: July 9, 2021

Noted below are: 1) current numbers for June 2021, 2) action items and, 3) other need-to-know information. Please review each item and take action where indicated.

Member Statistics

- **Total Member Count:** 39,188 (up 4.33% from last month and up 9.21% from June 2020)
- **Chapter number:** 37,409 (up 4.58% from last month and up 9.99% from June 2020)
- **Non-Chapter number:** 1,779 (down 0.67% from last month and down 4.87% from June 2020)

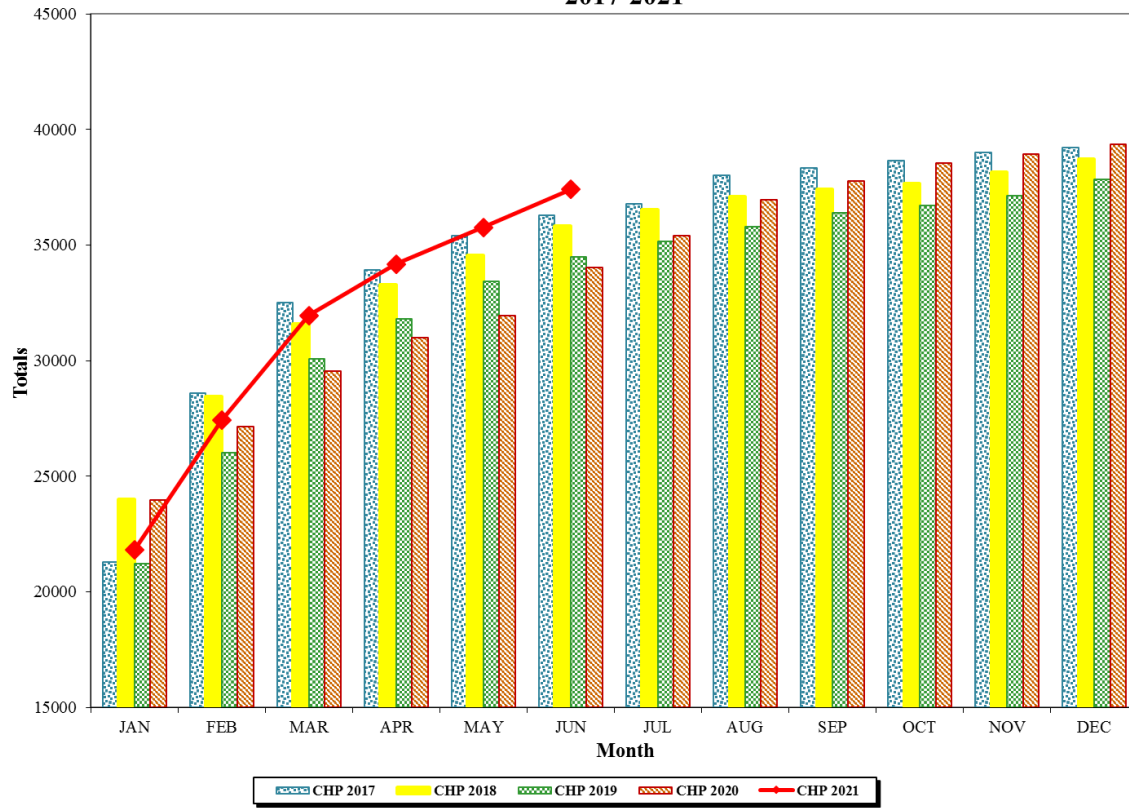

Action Items

- There are still 10 chapters without any members yet for the 2021 membership year. Please refer to the attached list of chapters and contact them for an update on their status. We have been reaching out directly from the national office but your input is also crucial.
- There are also still a number of chapters with many outstanding renewals; as we noted last month, some of these represent more than 30% of the chapter's 2020 year-end total. Please refer to the attached list. We will be doing a workshop during the virtual convention about membership retention that is open to everyone. We will be focusing on ways to retain not only new members that came to chapters during the pandemic but also tools and tactics applicable to all members. New membership officers in particular may find the information useful. We look forward to sharing with everyone; be sure to bring your questions to the session!

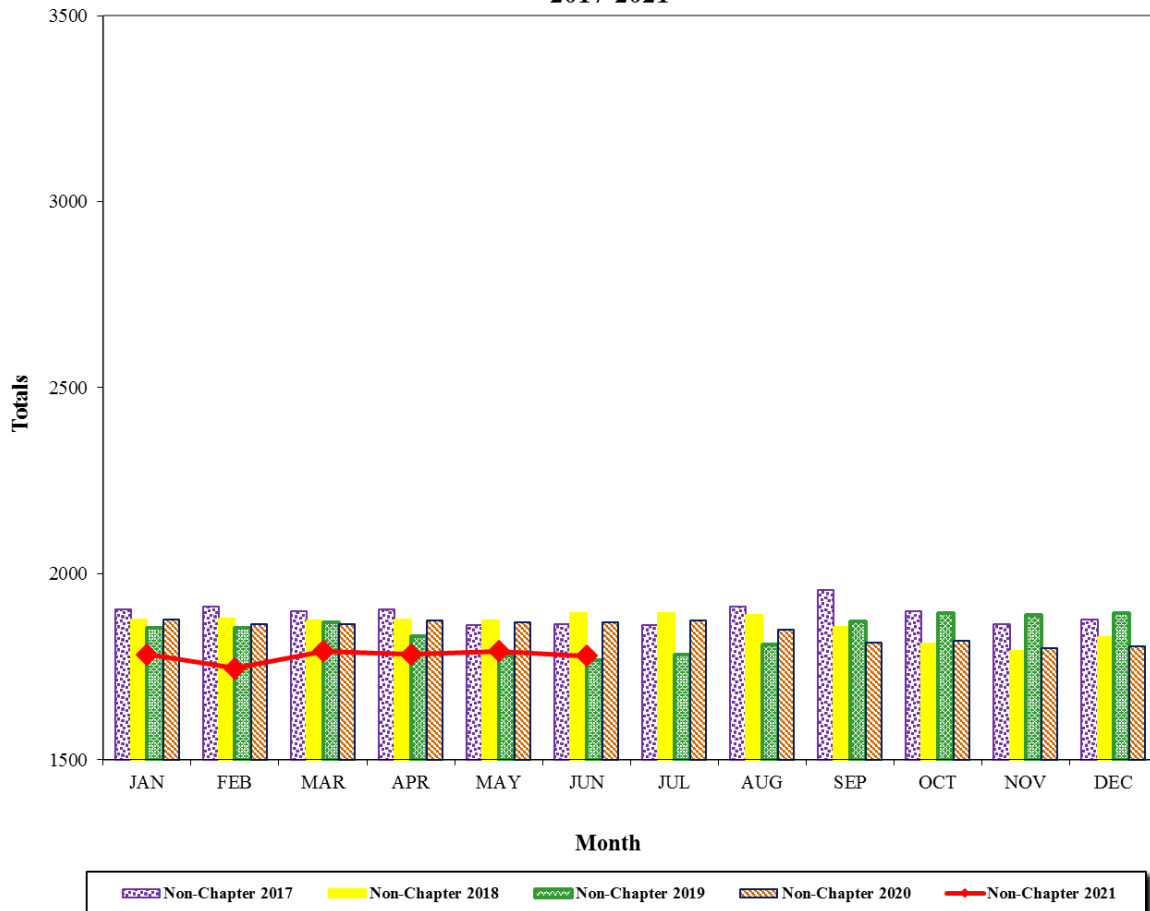

Convention/Other Information

- Just a quick reminder about encouraging chapters to submit new officers to us as soon as possible. We are in the heart of election season and it is critical we receive updated information to enable us to be in touch with the right people throughout the year. Don't forget that the online reporting feature on the League website makes it easy to update details; if there are no changes, you need only click one box to update everyone at once! If divisions have new national directors, those should be reported to us directly—preferably via email—at the national office: maryr@iwla.org and ehower@iwla.org.
- **If you have not registered yet for the convention, please remember to do so by Monday, July 12th.** Because of changes in delegate voting procedures this year, we need to be able to compile an accurate list of national directors who are attending convention who have not already signed up as a chapter delegate.

How to Read the Membership Report

Izaak Walton League Membership Activity 01/01/14 - 01/31/14

Number of active, paid members as of the end of this month. This number will gradually grow, month by month, as late renewals and/or new members are processed. This number can be compared to the year end total in the prior column to see how the chapter is doing in relation to how they ended the previous year.

Time period covered by the report—reports are a month-by-month snapshot in time of that particular month.
